Monthly Key Accomplishments – December 2010

I. All county departments completed Job Description Questionnaires and were returned to MPA Graduate students to begin analysis.

II. County representatives began discussions regarding Washington County website. Project plans are in place to begin work in January with Jeff Howells’ class.

III. City and County officials and other local interested parties travelled to Milledgeville to meet with the GCSU Strategic Marketing class that would be working on the City of Sandersville’s Marketing Plan.

IV. Washington County Board of Commissioners and Washington County Historical Society received notification that they had been issued an $8,625 grant from the Tourism Product Development division of the Georgia Department of Economic Development for renovations to the Old Jail Museum and Genealogy Research Center.
