Monthy Key Accomplishments – February 2011

I. Leadership Hart received a $5,300 Hart EMC Foundation Operation Round Up grant for a Train-the-Trainer workshop for Leadership Hart. This workshop will train local instructors for the leadership skills curriculum for Leadership Hart. The workshop will be facilitated by Louise Hill of the Fanning Institute.

II. After numerous months of work, a video podcast version of historic downtown Hartwell walking tour was recently completed. Archway’s Grady College of Journalism graduate assistant Mark Leblang worked with the walking tour committee to create and produce the video.

III. Rich Clark, Carl Vinson Institute of Government, conducted and completed the Hart County Library community assessment survey project. The assessment report will assist the Hart County Library Board of Directors and Library Director in updating the Library’s strategic plan and ensure that resources are used responsibly and efficiently based on the community’s responses.
