Archway Partnership

Washington County

Monthly Key Accomplishments – January 2012

1. Washington County Board of Commissioners received a $4,000 grant from the E.J. Grassman Trust Foundation to go towards the renovations to the gazebo on the courthouse square. Designs from UGA’s College of Environment and Design Historic Preservation program are being used.

2. The kickoff program to the 2012 Washington County Youth Leadership Program was held on Saturday, January 7th. GCSU’s John Bowen and two of his Leadership Certificate Program students conducted the session in Sandersville. Twenty four students are participating this year: 12 from Washington County High School and 12 from Brentwood. The students are a mix of sophomores and juniors.

3. Journalism student and Archway Intern Casie Walker met with Chamber representatives and began work on the county wide promotional brochure.
